- Be kind and happy
- Believe in the power of effort

The Richmond upon Thames School (RTS) Vision

All governors and staff will strive to ensure that all students are valued as individuals, who are recognised for their talents, fully included within the school community and provided with every opportunity to achieve 'excellence'.

We expect all students to emerge as confident, resilient individuals, who can build positive relationships and demonstrate commitment in everything they do.

As a school, we will:

1. Provide opportunities, support and guidance which enable your child to flourish to the full.
2. Provide a supportive, yet challenging learning environment for your child.
3. Offer your child a full and appropriate curriculum as far as we are able.
4. Monitor your child's progress and achievements, and report, explain and discuss the outcomes with you.
5. Alert you to any difficulties your child maybe experiencing.
6. Give you the information you need about the school, its policies and curriculum.
