1. School Vision

Governors and staff will strive to ensure that all students are valued as individuals, who are recognised for their talents, fully included within the school community and provided with every opportunity to achieve 'excellence'. Students at RTS will:

- Be confident and happy individuals who can build positive relationships with others and work purposefully towards achieving their very best at all times.
- Possess the knowledge, communication and technical skills necessary for success as they move into further education and the workplace.
