AGREEMENT

Excellence Through Endeavour

A CONTRACT BETWEEN STUDENT, PARENT AND SCHOOL

Student's name (print):

We believe that everybody can achieve excellence. RTS is an inspiring, welcoming place where people are valued as individuals, recognised for their talents, supported in their endeavours and always challenged to achieve their very best. Our vision is to develop confident and happy students who are lifelong learners with an insatiable curiosity about the world around them, prepared for the next stages of their lives.

At RTS our core values run through everything that the staff and student do. As part of the RTS community we ask you to sign up to living by these values.

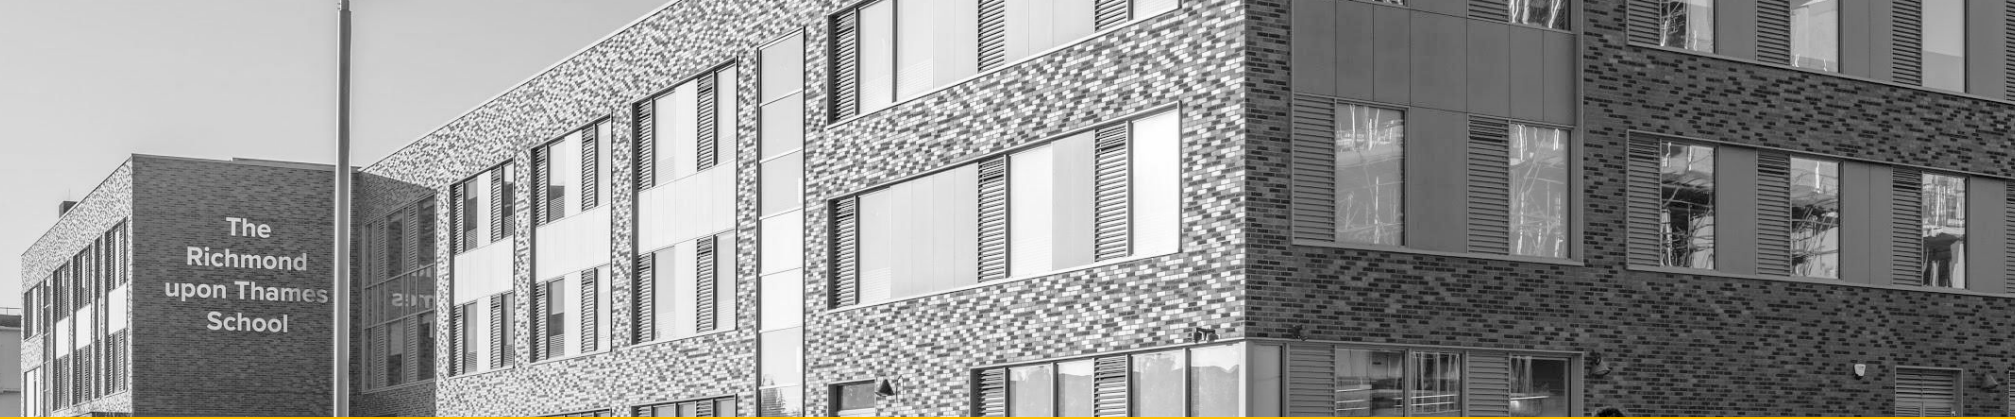

You commit to:

- Be a positive member of your community
- Be an active participator
- Be confident
- Be ready to learn
- Be kind and happy
- Believe in the power of effort

The contract between school, parents and students is essential in fostering our core values and developing students that are fully included within the school community and take every opportunity afforded them to achieve 'excellence'.

To this end we ask all parents/carers and students to sign this contract to show their commitment to following the content it sets out.
